25% OF PATIENTS SKIP CARE DUE TO COST

**Improve Patient
Health Equity**

4,000+
PATIENTS HELPED

We help hospitals treat the uninsured and the underinsured.

Automatically match financial assistance to patient bills. Reduce administrative burden, enhance patient care and recover bad debt.

**Doubled Financial
Assistance**

REDUCE PATIENT FINANCIAL STRESS AND TOXICITY

20% of cancer patients have costs over \$10,000 and struggle to pay medical bills.

Hospitals and their patients need new funding sources.

Qualify Health solves for this.

Less Emotional and
Financial Stress

IMPROVE ACCESS TO TREATMENTS

Qualify Health's solution runs continuously and automatically.

We monitor all financial assistance programs and types.

No eligible patient misses out on available funds.

No Funding
Cycle Missed

ACCES ALL FUNDING OPTIONS

Qualify Health accesses all available funding, \$30 Billion worth.

Co-pay cards, free drug programs and foundation support are sourced.

 **\$30 Billion
Funding**

GET WAITLIST SERVICE FOR FUTURE FUNDING

Patients who don't qualify for funding are placed on waitlists until eligible funding and matches are found.

—“

... I can tell you this is a true miracle for me. I have a large copay that is owed with each infusion and this is a true blessing...
